### **ProBuild Selects MySafeWorkplace<sup>®</sup> for Their Anonymous Employee Hotline**

(Littleton, Colorado) June 4, 2008 - Business Controls, Inc., a leading risk mitigation firm announced today that ProBuild Holdings, Inc. of Denver, Colorado has chosen MySafeWorkplace<sup>®</sup> for their anonymous reporting solution.

MySafeWorkplace<sup>®</sup>, a system provided by Business Controls, is available 24/7/365 from anywhere in the world. Employees have the option to call a toll-free number or file a report over the internet, and are given the choice to remain anonymous or disclose their identity. ProBuild, with over 16,000 employees, is the nation's largest supplier of building materials to professional contractors and will implement MySafeWorkplace<sup>®</sup> for human resources, safety, and financial related concerns.

"Often times employees know of misconduct that is occurring but are afraid to come forward for fear of retaliation." said Steven Foster, President at Business Controls. "For instance, an employee may want to bring forward a concern against their immediate supervisor but are afraid. Having a solution like MySafeWorkplace<sup>®</sup> gives them an outlet."

Carolyn Skinner, Director of Human Resources at ProBuild added, "When an employee submits a report through MySafeWorkplace<sup>®</sup> they can be assured that the appropriate ProBuild management will receive the report and act accordingly." Ms. Skinner continued to say, "We chose Business Controls not only for their robust reporting solution but also for their ability to consult with us on our investigations."

Business Controls offers a 30-minute free consultation with on-staff subject matter experts with every report submitted through its system. Business Controls' experts include Forensic Clinicians, Attorneys, Certified Investigators, Security Experts, and Certified Fraud Examiners. These subject matter experts are available for client assistance on how best to respond to issues, thereby putting the client in the best defensible position should litigation arise.
